NAHB RESEARCH CENTER

A NOTE FROM THE PRESIDENT OF THE EVHBA

"What Does It All Mean?"

Moratoriums, Home Rule, EcoBuild, Impact Fees, Land Use Regulation Changes… what exactly are these things and where are we headed? A lot has been said recently about these and other ideas floating around the County building lately.

The EVHBA Board decided that we should probably find out what's up. It's no small task keeping tabs on hearings, proposals, drafts and whatnot. To that end, we need your help. If you could lend a hand, please let us know.

It is the Board's position that we should involve the membership of the Home Builders Association in the "process" as these changes occur. Do you agree?

Kind Regards,
Jim Turnipseed

Associate Member Appreciation Golf Tournament A Success

By Trevor Theelke, Golf Tournament Chairman

September was Associate Member Appreciation Month for the EVHBA. Sky Legend sponsored an 18-hole, 4 man scramble golf tournament at Cotton Ranch Golf Club in Gypsum on September 22nd, where 58 HBA members had the opportunity to golf as well as preview the stunning new homes on the Mesa at Sky Legend.

Phenomenal weather, great golf and a little bit of luck was all Larry Emery needed to have the most rewarding day at the golf course. Larry, along with Dan Jarosz, Brian Kittleson and Casey Bullock shot the day best of –8.

Larry was also the lucky winner of a digital keypad safe that was kindly donated by Alpine Builders' Hardware & Alpine Lock and Safe.

A special thanks to Sky Legend for sponsoring this tournament and BBQ and to Alpine Builders' Hardware & Alpine Lock and Safe for donating the digital safe for the Member Appreciation Golf Tournament.

Dan Jarosz of Stewart Title of Vail and his team members Brian Kittleson, Casey Bullock and Larry Emery were the winners of the Associate Member Appreciation Golf Tournament.

Larry Emery won a digital keypad safe donated by Alpine Builders' Hardware & Alpine Lock and Safe.

Mission Statement:

The EVHBA is dedicated to the advancement of the home building industry by promoting high ethical standards for its members, as well as on-going education, safety training and networking opportunities. It is through out members' commitment to professional standards that we are able to further benefit our industry, customers and the community at large.
